BRIEF ABSTRACT OF LETTER.

Recommends, for the reason stated, the acceptance of the resignation of Mr. Quinton Anderson Professor of English Maharaja's College Mysore and the termination of the engagement with him.

NOTES AND ORDERS.

x
 In G.O. No. 166-7 Dated 5.7.1912 Govt. sanctioned the appointment of Mr. Quinton Anderson as Professor of English Central College Bangalore on probation for 5 years in 400-50-700 grade. He joined his app't to Central College on the forenoon of 25-11-1912.

He

He was transferred to Maharastra college by G.O. dated 28.5.13 when the C. & P. Reddy went on deputation to Europe. He was relieved of his duties in the college on 1.7.13 and has been since then working in the Maharastra college.

(3) No application for leave has been received in the Sect. Apparently Mr. Anderson's present letter is meant to include the request for leave as an alternative to resignation.

(4) Mr. Jais has on the strength of a letter from the ^{External} Registrar of the London University informed the 2.9 "that no person of the name of Quinton Anderson has ever matriculated at the London University." Among the papers that were received at the time of his appointment are copies of diplomas of the London University to the effect that Mr. Quinton Anderson

has been awarded the B.A. degree with Firstclass Honors in certain subjects. The diplomas contain a statement of his matriculation also

(5) From the correspondence forwarded by the Lg it does not appear that Mr Q-A was asked to categorically to answer the question whether he is a matriculate & a graduate of the London University or not. In his reply Mr Q-A states, ^{however} that he matriculated in the London University in 1904 & took the Honours B.A. in 1908, but he adduces no proof in support of these statements, though he can hardly have been ignorant of the aspersions cast upon him as of the ~~proper~~ object of the Lg's enquiry.

(6) Quite apart from Mr Q-A's remaining in service & resigning, the matter seems to be too important to be dropped without being probed to the bottom.

(7) If the statements of Mr Q-A are not reconcilable with the information furnished by the External Registrar of the London University, then Mr Q-A has sailed under false colours & has produced spurious

Diplomas, & the facts if proved against him would bring him within the clutches of the criminal law.

(8) If, on the other hand, Mr A-A's credentials are genuine Mr Tait would be quite wrong in casting such unwarranted aspersions on a brother officer.

(9) Before accepting Mr A-A's ~~signature~~ ^{resignation} it seems desirable & necessary to get a ~~corrected copy~~ correct copy of the London University Regr's letter to Mr Tait & to call on Mr A-A to reply to the allegations categorically & ~~prove~~ prove on adequate authority that he is really a graduate of the London University.

(11) My personal impression is that somehow Mr. Duntou Anderson passed the examinations but was not admitted to the degree as other conditions (such as payment of fees &c or College attendance) had not been fulfilled. Perhaps he thinks that he has a right to assume the title. This may satisfy him ~~and~~ but it is not likely to be considered satisfactory by others.

his Competency and scholarship in English, whatever we may say about his temper.

G In 1912, Mr. F.W. Quinton Anderson was appointed Professor of English in the Central College, Bangalore on Rs.400 in the grade of Rs.400-700 on probation for 5 years. Subsequently in July 1913, he was transferred to Mysore in a similar capacity and has been working in the Maharaja's College till now.

D 2. He has now written to the Inspector-General of Education applying for the privilege leave he is entitled to and, thereafter, leave without allowances for 2 years. In case the leave cannot be granted, he has notified his intention to leave the College and service with effect from the 1st August.

V B 3. Under orders of His Highness communicated by telegram on the 27th instant, the Inspector General of Education has been instructed to relieve Mr. Anderson on the 1st August.

J 4. In this connection it has to be mentioned that in June last, Mr. Tait brought to the notice of the Inspector General of Education, the circumstance that the Registrar of the University of London had written to say that no person of the name of F.W. Quinton Anderson had ever matriculated at the University of London. Mr. Anderson has not offered any satisfactory explanation of this circumstance, though at the time of his appointment it was understood that he was an Honours B.A. of the London University.

5. In his note the First Member of Council recommends that Mr. Anderson's resignation may be accepted,

6. The matter was informally considered at a meeting of the Council held on the 29th instant and the decision come to was that if Mr. Quinton Anderson gave sufficient proofs to enable Government to verify his statement regarding his qualifications, he may be given the privilege leave he is entitled to.

37 The order of the 7th Augt 14 was definite enough & the only question left open was about the privilege leave. The Comptroller could very well have instructed the Mysore Treasury not to pass the pay for July (which Mr A drew on the 12th Augt) without receiving the full amount due from the officer.

38 As regards future action there is reason to think that Mr Anderson in spite has the ability to pay the balance, though perhaps the will to do so may be lacking.

39 I am not sure that the C & M St. authority can help us to recover the money by any summary process. It is doubtful if it is worth while suing Mr A in court & executing a decree.

Sir,

I have the honour to forward herewith for the information
of Government copies of communications that have passed between
Mr. Tait, myself and Mr. Quinton Anderson. Mr. Anderson's
name is not to be found in the list of graduates published in
the London University calendar. He has expressed a desire
to resign his appointment if the leave he has asked for cannot
be given. I think that his resignation may be accepted
and the engagement with him terminated.

D.O. letter dated 8th June 1914 from Mr. T. C. Weir
Principal, Central College, Bangalore, to the Inspector
General of Education in Mysore.

I have an official letter No.1772 from the External
Registrar, University of London, dated 6th May 1914, in
which he states that no person of the name of F.W. Quinton-
Anderson has ever matriculated at the University of London.

Will you be so kind as to let me know in what year
and under what name Mr. F.W. Quinton-Anderson matriculated
in the University of London?

D.O. letter dated 18th June 1914 from Mr. J.G. Tait, Principal, Central College, Bangalore, to the Inspector General of Education in Mysore.

I wrote to you on 8th June to point out a prima facie discrepancy between Mr. F.W. Quinton-Anderson's account of his qualifications and an official letter in my possession from the External Registrar, University of London, and to request that Mr. F.W. Quinton-Anderson might be invited to explain.

As the letter may not have reached you, I write again to request that I may be favoured with an early answer to the question - in what year and under what name did Mr. F.W. Quinton-Anderson matriculated in the University of London?

I made myself responsible for Mr. F.W. Quinton-Anderson's statements by signing the usual return of additions to the staff, and I am bound to satisfy myself that the return sent to the University is accurate.

D.O. letter dated 30th June 1914 from Mr. Quinton-Anderson, to the Inspector General of Education in Mysore.

I regret the delay in replying to your previous communication. I wrote to you last Friday but opened my letter in the presence of Councillor Manjundaiyya, on Saturday on which day I had two interviews with him.

I now send you some of the data set before him and at the same time beg to inform you that I have applied for privilege leave from 1st August 1914 and thereafter for leave without allowances for two years. Should the Government find it inexpedient to accord me such leave, I have notified my intention to leave the College and service on that date, viz., 1st August 1914. I trust you will excuse me if I have not followed the regular procedure in applying for leave etc as I considered this unnecessary since I informed the Minister for Education on Saturday of my firm intention to resign.

SIR,

Adverting to Government Order No. 1514-69/Edn 14-14 dated the 7th August 1914 and No. 338/-9/Edn 14-14 dated 18th September 1914 accepting the resignation of Mr. Quinton Anderson, Professor of English, Maharaja's College, Mysore, from 1st August 1914, I have the honour to state that after the receipt of the G.C. of the 7th August 1914 (received on the 10th), referred to above, the Deputy Commissioner, Treasury Department, Mysore District, was requested to report whether Mr. Quinton Anderson drew his pay for the month of July 1914 or for part of August 1914, if any due, and whether the balance outstanding against him out of the recovery of Rs 577-7-0 (£34--9--11) ordered in Government Order No. 9496-7/Edn 268-12-4 dated the 30th May 1913 was fully adjusted by him. In reply the Treasury Officer reported that Mr. Quinton Anderson drew his pay for July 1914 on 12th August 1914 and had by then adjusted Rs 350 by monthly instalments of Rs. 25/-, leaving a balance of Rs 167-7-0 still outstanding against him.

2. Therefore, the Inspector General of Education was asked by this office to keep himself in communication with Mr. Quinton Anderson, for the recovery of the aforesaid amount of Rs 167-7-0 and he first reported in his docket No. 4076-7/251 dated the 10th September

1914 that Mr. Anderson had been addressed to in the matter; but on pressing the recovery further, he reported in his letter No. 16716/1071 dated the 8th April 1915 that Mr. Anderson having resigned his appointment in the Education department, it was not possible for him to recover the amount.

3. In this connection, I have to invite attention to article 26 (2) of the Civil Account Code under which the last payment of salary should not be made to a Gazetted Officer finally quitting the service of Government until the Treasury Officer has satisfied himself both by reference to the Comptroller and to his own records that there are no demands outstanding against him. But the order of Government dated the 7th August 1914, accepting his resignation from 1st August 1914 or from date of relief was not communicated to the Deputy Commissioner by Government and neither this office nor the Treasury Officer was sure that the payment of July bill of the officer was the last payment of salary to be made to him, until the receipt of Government Order dated the 18th September 1914 which terminated his appointment on the 1st August 1914. It was not, therefore, possible to recover the outstanding balance of Rs 167-7-0 from the last pay bill of Mr. Quinton Anderson.

4. Now that the Inspector General of Education reports that it is not possible for him to recover the amount from Mr. Quinton Anderson, I beg to enquire whether Government would like to make further attempts to recover the amount by reference to the person, if any, on whose recommendation Mr. Anderson was entertained or whether they desire that the amount should be written off. The amount under objection represents certain items of expenditure incurred by Mr. Anderson in connection with his journey from England to India to join his appointment which Government disallowed and directed to be recovered by monthly instalments of Rs. 25/-
